

**Invitation to a day of planning to launch the research seminar in September 2013 on Creativity and Innovation for future designers**

*Training designers: theories, methods, practices and skills*

**Date:** June 19, 2013

**Location:**

Paris Descartes University, Institute of Psychology  
71, Avenue Edouard Vaillant,  
92100 Boulogne-Billancourt.  
Metro: Marcel Sembat (line 9)

Program of the day

- Presentation of the teams from each institution and their research topics
- Division into groups. Each group exchange on a theme:
  - 1 group on methodology,
  - 1 group on theoretical models,
  - 1 group on skills / practices.
- Lunch at Resto U.
- Continuation of group work
- Results of each group work and development of a schedule for the academic year 2013-2014.

The goal is to develop by the end of the day, a schedule of seminars for the academic year 2013-2014: dates, themes, and logistical / practical responsibilities.

Thank you to indicate whether you will attend the first appointment by sending e-mail to [linda.jarvin@paris.edu](mailto:linda.jarvin@paris.edu) before May 30, 2013.
